NIGHT SALE AT

OTTUMWA, IOWA,

From the Herd of R N. Marshall.

AUCTIONEERS:

ANNOUNCEMENT

In selecting cattle for my second annual sale I have gone deep into my breeding herd and selected the best in regard to pedigree and individuality realizing that at a time of momentary depression nothing but the best will appeal to the buyer

A careful survey of the following pages will convince even the most critical that the breeding is right, and a trip to the sale will prove to you the individuality has been a large factor in this selection of cattle.

We extend a most cordial invitation to all interested in good cattle to be with us sale day.

R. N. MARSHALL.

A High Class Offering, One That Will Interest Men Seeking The Best Seed.

The writer derives no small amount of satisfaction in recommending this superb offering. He is sure there is nothing lacking to make it a consignment that will attract the attention of the man wanting valuable seed because no collection of the breed that is maintained at this time was founded more carefully, no herd was ever started on its career with more of the elements which stands for ultimate success than this one.

Mr. Marshall is a man who loves farming and live stock. His father pioneered in this work and when his son reached maturity he naturally turned his attention to the business which brought success to his sire. The writer mentions this to show that the man identified with an industry as big and as important as that of adding improvement to a great breed of cattle must measure up to the requirements demanded of him and Raymond Marshall is such a man. The breed is what it is today because the early improvers of it were master minds, they were the big men of their times in other walks of life but their greatest pleasure were their herds of Shorthorns and of their constant endeavors to improve the quality of their productions. Raymond Marshall is one of the breed builders of the present age. His herd is indeed a prominent collection. He founded it with the best seed obtainable, he improved it by using a good sire and in Gartly Lansdowne he has such a bull. This is one of the best imported bulls in this country his calves are of the right stamp, they will develop right and they will please anyone who wants the best.

Last year Mr. Marshall sold a great offering and this season he comes back with a consignment that can be given the same high rating. Prospective buyers should not fail to be present. The writer does not hesitate to urge people to attend such an event. He Knows what the selling of such an offering means and what such seed will do for other herds. Plan to be at the sale if possible.

By FRANCIS T. MARTIN,
of The Breeder's Gazette.

For reference only.

Imported Gartly Lansdowne has proven one of the greatest stock bulls of his day. His dam, Mary Anne of Lancaster 46th, is also the dam of Gartly Landseer the champion bull at the Cupar Highland Show. She is also the granddam of Gartly Lancer, grand champion of the 1919 English Royal Show, that has the record as the highest priced bull ever sold in Britain, having been sold at Penrith to Mr. A. J. Marshall for 4,750 guineas for shipment to the Argentines.

Proud Wanderer 122249, sire of Gartly Lansdowne, sold for export to the Argentines for 1,000 guineas. His sire, Proud Ator, was the 2d prize bull at the Highland Society's Show and his dam was by the noted bull, Pride of Avon, and was a full sister to a bull named Avondale that was second at the English Royal and was sold for shipment to the Argentines for 3,000 guineas. Thus it will be seen that Gartly Lansdowne is closely related to the best that has been produced in Britain.

Imp. Gartly Lansdowne is the most typical type stock bull I have ever used or handled in my life.

(Signed) WM. HARTNETT,
Importer and Exporter.
